Dear Mr. Dukes:

Thank you for supporting Special Olympics Florida! Your gift of \$1,383 is truly appreciated.

The Special Olympics mission remains as vital today as it did when the movement was founded in 1968. More than a single event, Special Olympics Florida provides year-round sports training, health exams, and athletic competition in 23 Olympic-type sports for children and adults with intellectual disabilities. Our athletes and their families are never charged a fee for participating, which is why your gift is so impactful.

Your generosity enables people with intellectual disabilities to build confidence and share joy through the experience of competing in sports. Because of your support, we can continue our mission and transform fear, stigma, and oppression into possibility and opportunity.

Thank you for making a difference in the lives of athletes in our community.

Sincerely,

Erin Kozlowski
Chief Development Officer
